

Program: European Values in Action Acronym: EVA Project Number: 2025-1-EL01-KA122-ADU-000308401 Duration: 01/09/2025 – 31/08/2026	Coordinator
Summary An Erasmus mobility project is ideal for the goals of our organization and the needs of our beneficiaries, as it will allow us to offer free educational activities to people who need it most so that after the activities they have increased chances of finding and keeping a job (or starting a business) and generally their own better employment and career prospects which directly imply more active participation. The four main objectives of the project are: - Improved CVs of the trainees - Integration of European values while acquiring a wide range of key competences - Improved self-esteem, proactivity, resilience, adaptability and initiative for the participants - Exposure to an international environment and contact with people from other countries for the participants	EUROPERATIVA Center for the Promotion of European Cooperation and Integration  GREECE
Results Participants will acquire the following key competencies: - Cultural Awareness and Expression - Empathy and Emotional Intelligence - Interpersonal Skills - Political Literacy - Critical Thinking and Media Literacy - Ethical, Civic, Ecological, Political and Social Responsibility - Collaboration and Teamwork - Social Awareness - Problem Solving - Reflective Thinking - Global Awareness	Partners
